

LEGION TRAINING AND SIMULATION, LLC

**Now Offering Customized
Training Scenario
Development!**

If you employ the Presagis™ family of products such as STAGE, we can develop cost-effective, high-fidelity scenarios tailored to meet your training needs!

Scenario options for events include Disaster Response, Law Enforcement, Search & Rescue, Homeland Security and Military Operations. Enhancement options include integrated, Artificial Intelligence-Driven Human Character activities/events from 3rd party products such as VT MÄK's DI-Guy application.
